Re: Inclement Weather

In the event of inclement weather, it is important you are aware of our procedures. We realize our decision to open, delay or close schools during inclement weather has an impact on families. Please understand decisions regarding inclement weather are based on careful analysis of all relevant factors.

Factors to Open, Delay or Close Schools:

- Road Conditions
- Accumulation of ice and snow
- Current weather conditions
- Building conditions (electricity and heat)
- Parking lot conditions
- Weather predictions
- Consideration of other district decisions

As Superintendent of Schools, I am responsible for the final decision to open, delay or close schools based upon factors and recommendations from NBCHS and the Mansfield Township School District's Facilities Manager. The decision to open, delay or close schools is made by 5:00 AM to ensure the public is notified in a timely manner.

Public Notification:
