Dear the MTSD Parents/Guardians and Staff,

Today at approximately 9:56 am our John Hydock Elementary School (JHES) lockdown system was initiated. The Mansfield Township Police Department responded by sending uniformed officers to the school. At approximately 10:24 am, after JHES Principal Mrs. Cullari and the Mansfield Police Department evaluated the situation, the lockdown was concluded.

Shortly after the lockdown was concluded, Mrs. Cullari provided the John Hydock parents with an email update.

In coordination with the Mansfield Township Police Department and the Mansfield Township School District Administration, we have learned the lockdown was accidentally caused by an employee. We will be conducting additional staff training to ensure an incident such as this is prevented in the future.

Both staff and students did a wonderful job following procedures in the lockdown.

We appreciate everyone's cooperation and support in keeping the safety of our students and staff in the forefront as it always remains top priority.

Sincerely,

Tiffany J. Moutis  
Superintendent
