August 31, 2022

Dear Mansfield Township School District Parents/Guardians,

Welcome to the opening of the 2022-2023 school year! We are excited to open our school doors on Wednesday, September 7. It's a pleasure to welcome back our returning students and we look forward to welcoming those who are new to our school district.

Below are a few updates from this summer which I wanted to share with you:

- October 6, 2022 Referendum:
  - To generate upfront funding for facilities improvements and important safety upgrades to our schools.
  - To access a specific type of state aid available to offset costs of the proposed improvement projects; this aid is only available to us following a voter-approved bond referendum.
  - To make much-needed safety and facilities improvements without impacting taxes. In fact, our plan calls for a **TAX DECREASE**. We can accomplish this because the timing is right as we near the pay-off point of current debt.
  - Please click [HERE](#) for further information.
  - You will see our referendum team at many of the upcoming school and community events. Stop by and chat with any one of us!
- Please review the two new policies which were Board approved over the summer:
  - [Policy 5112 Entrance Age](#)
  - [Bus Transportation Policy](#)
  - Feel free to visit our policy and regulation page [HERE](#).
- To ensure our main office and substitute main office secretaries receive parental emails, please use the email addresses below. Replies will come from the following emails, however, if you are waiting on a response, please check your spam folder:
  - John Hydock Main Office: [JHES@mansfieldschool.com](mailto:JHES@mansfieldschool.com)
  - Mansfield Township Main Office: [MTES@mansfieldschool.com](mailto:MTES@mansfieldschool.com)
- To accommodate parent drop off at both school buildings, we have adjusted our school hours:

- Please see the [2022-2023 calendar](#)
- First day of school lunches will be served on Monday, September 12th. School lunches have increased to \$3.75. Please send in healthy snacks on September 7-9, 2022 since those are early dismissal days. Please check [HERE](#) for your child's school lunch menu.
- Parent Climate Virtual Meetings
  - Please click [HERE](#) for upcoming meeting dates, login information and submission forms for agenda topics.
- Quarterly Administrative Newsletters
  - Please watch your email for our newsletters. The first newsletter will be distributed on November 15, 2022.

As a district, we are excited about beginning a new school year where our children can attend daily with their teachers and peers. The health and safety of our students and staff will always be our top priority. We will do everything in our power to ensure that our students learn in a safe and encouraging environment. To help establish their success, we will teach them to make the best of every situation. I have every confidence that the Mansfield Township School District will once again rise to the challenge for a successful school year.

Enjoy the last few days of summer! Please feel free to reach out if you have any questions.

Thank you for your continued support.

Tiffany J. Moutis, Superintendent
