November 16, 2022

Dear Mansfield Township School District and Community,

During this Thanksgiving season, I am reminded and extremely grateful of your trust and allowance in me to serve such an extraordinary district and community.

With the recent and sudden passing of our district staff member, the depth of emotions has been difficult to observe this week. Death can be difficult to understand, especially when it is sudden. Emotions can be felt differently for all: shock, sadness, anger and/or confusion. First and foremost, it is important we prioritize the care and support of each other through this difficult time. It is also important to remember that a tragedy such as this may be just as upsetting to your child or student as well as yourself.

Please be reminded we have continued district support available to you and your family. Feel free to contact Mrs. Christa Edolo, School Social Worker at cedolo@mansfieldschool.com, Mrs. Johanna Sobon, JHES Guidance Counselor at jsobon@mansfieldschool.com or Mrs. Julie Katz, MTES Guidance Counselor at jkatz@mansfieldschool.com. As a district, we are also grateful to have each other, our families and our community to help get through this most difficult time.

I want to personally thank the MTSD staff, the County Crisis Team and the Traumatic Coalition of Loss for their efforts this week in providing services which were immeasurable and have helped our students and staff to exceed our expectations.

The beginning of the 2022-2023 school year has quickly passed but it has been filled with excitement. Lots of outstanding events, activities and programs are happening at our schools so be sure to check out [our school websites](#), keep an eye on your email, and watch social media for further information. You can also check out our app at Mansfield TWP School District.

It is also with appreciation I want to recognize the unyielding support of our amazing CHAS! CHAS supports the numerous district activities and programs which further enrich your child's education. They provide assemblies for both schools, host many daytime events and have a variety of evening events as well. Most importantly, CHAS is always willing to support district initiatives in a variety of ways. Please click [HERE](#) for further information.

The Mansfield Township Education Foundation also supports many district initiatives and generates additional funds that can be funneled back into educational experiences for your children. For the third year in a row, the foundation provided staff with grants to enhance our classrooms.

The Mansfield Township School District staff continues to work tirelessly to ensure our schools are places in which your child desires to attend each day where they can challenge themselves, socialize, and achieve possibilities as learners! We ALL CARE DEEPLY about the success of our children! The district is fortunate to have a dedicated and caring staff whose focus and priority is to build positive relationships with each and every student!

I am very proud to be your Superintendent of Schools and will continue to work tirelessly to ensure this strong spirit continues to thrive in Mansfield.

Please do not hesitate to reach out to me with any questions, comments, or concerns you may have throughout the year. My email is tmoutis@mansfieldschool.com and my office phone number is 609-298-2037 Ext. 2000.

In closing, I want to share a quote from John F. Kennedy which I feel captures the spirit of Thanksgiving.

“As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.”

I wish you all a Happy Thanksgiving with family and friends!

Sincerely,
Tiffany J. Moutis, Superintendent
