## Board of Education Monthly Meeting Minutes

November 8, 2021

### I. Meeting Started 7:03pm

#### Open Public Meeting Statement

*The New Jersey Open Public Meetings Law enacted to insure the right of the public to have advance notice of and to attend the meetings of the public bodies at which any business affecting their interest is discussed or acted upon. In accordance with the provisions of the Act, the Mansfield Township Board of Education has caused notice of this meeting to be published by having the date, time and place thereof communicated to the Burlington County Times, and under the emergency regulations by providing electronic notice in lieu of the traditional "adequate notice" of notifying the newspaper.*

*At times, it may appear to members of our audience that the board of education takes action with very little, if any, comment and, in many cases, a unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter and is satisfied that it is ready to be presented to the board of education. The matter may have been previously discussed at the work session meeting. Board members preview the agenda items and discuss questionable items with the Superintendent or Business Administrator so that when they attend the meeting, there is usually no further need to question the issue. Only then is it voted upon as an action item at a public meeting.*

## **III. Public Comment**

The Board of Education recognizes the value of public comment on educational issues and the importance of providing an opportunity to the public to express themselves on school-related matters of concern to the residents of Mansfield Township. To allow for a fair and orderly public comment period and in accordance with Board Policy no. 1120, individual comments are limited to two minutes and the total time for the public comment session will be thirty minutes. To protect the privacy of all students and staff, concerns regarding individual students and staff members should generally be addressed by first meeting with the appropriate administrative staff.

***Motion was made by Allyson Johnston and seconded by Steve Thomas to suspend the public comment policy so inclusion of virtual participation can be permitted. All in favor.***

*Ron Sanasac, 29 Durham Drive, Mr. Sanasac stated that his son who is in preschool as a special education student loves the program and that the family moved into the district for this program. He added that without transportation to and from the daycare, his son cannot attend and will need to be withdrawn from the program. He also made mention of a letter he received stating that the transportation will cease before Thanksgiving. He is asking the Board to rethink their decision based on what his child is entitled to.*

*Aaron Zelins, 15 Hickory Drive, Mr. Zelins stated that MTSD provided their own mandate for Covid 19 testing on volunteers within the district. He believes that the Superintendent relied on legal advice given by the Burlington County Health Department and that Ms. Moutis said it was a mandate that was necessary. He suggests that the Board of Education review this further.*

*Nicole Logan, 34 Mansfield Road East - After hearing Mr. Van Mater's comments, I have similar remarks. My son experienced issues at Mansfield School District as well, and these issues were brushed under the rug by the Superintendent, principal, and school counselors. It is absolutely shameful that Ms. Moutis is making an*

early raise request for herself, especially when her teachers are not being helped, and many parents are without jobs. If Mansfield School District was truthfully reporting bullying, you would see the results are much worse than they say they are and she would be held accountable for those bad ratings. Please do not even consider this raise for her.
