Dear Parent or Guardian:

To help keep your child safer and more scholarly online, we have continued with the online services provided by GoGuardian. It may be helpful to know that over 10,000 other schools use GoGuardian to protect 5.5 million students across the world, and the [Global Educator Institute](#) has endorsed the GoGuardian Teacher product.

### **How are we using GoGuardian?**

We have chosen GoGuardian Admin services to:

- Help protect students against harmful and inappropriate online material
- Help students stay “scholarly” and more focused when learning online

### **When and how does GoGuardian operate?**

GoGuardian’s web-based services operate on our school’s managed G Suite for Education Chrome accounts (i.e. when a student is logged into Chrome or a Chromebook with his/her school email address).

### **What are the school’s responsibilities?**

Mansfield Township School District selected GoGuardian services to help our students stay safer and more scholarly online. We will work with students during class time to help teach them digital responsibility and safety. Additionally, we will train teachers about how to operate GoGuardian and about our policies and procedures to help protect student privacy.

### **What are my parental/guardian and child’s responsibilities?**

We ask that students use their school-managed Google accounts and school-managed devices for educational purposes within the boundaries of [Mansfield Township School District’s Policy 2361 Acceptable Use of Computer Networks/Computers and Resources](#) and [Mansfield Township School District’s Regulation 2361 Acceptable Use of Computer Networks/Computers and Resources](#).

When a student is off campus, parents are responsible for supervising internet access and usage. We encourage you to discuss rules for appropriate internet usage with your child, and to reinforce lessons of digital citizenship and safety with him or her. We also highly encourage you to report any potential cyberbullying or other sensitive issues to us.

Please reach out to your building principal to answer any questions that you may have.

Sincerely,

Tiffany J. Moutis, Superintendent
