Salute to the Flag

Term of Office January 6, 2020 to January 2023 Reorganization

Swearing in of Jared Fantasia
Swearing in of Abbey True Harris
Swearing in of Stephen Thomas

It is understood that the members taking the oath of office stipulates that they have and/or will read section 2.) Of this agenda as it pertains to the Board Member Code of Ethics. The newly sworn member shall sign a copy of said Code and it shall be retained in the personnel file.

III. Statement and Roll Call

1.) Open Public Meeting Statement

The New Jersey Open Public Meetings Law enacted to insure the right of the public to have advance notice of and to attend the meetings of the public bodies at which any business affecting their interest is discussed or acted upon. In accordance with the provisions of the Act, the Mansfield Township Board of Education has caused notice of this meeting to be published by having the date, time and place thereof communicated to the Burlington County Times.

At times, it may appear to members of our audience that the board of education takes action with very little, if any, comment and, in many cases, a unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter and is satisfied that it is ready to be presented to the board of education. The matter may have been previously discussed at the work session meeting. Board members preview the agenda items and discuss questionable items with the Superintendent or Business Administrator so that when they attend the meeting, there is usually no further need to question the issue. Only then is it voted upon as an action item at a public meeting.

- I will confine my board action to policy making, planning, and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.
- I will carry out my responsibility, not to administer the schools, but, together with my fellow board members, to see that they are well run.
- I will recognize that authority rests with the board of education and will make no personal promises nor take any private action that may compromise the board.
- I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.
- I will hold confidential all matters pertaining to the schools which, if disclosed, would needlessly injure individuals or the schools. In all other matters, I will provide accurate information and, in concert with my fellow board members, interpret to the staff the aspirations of the community for its school.
- I will vote to appoint the best qualified personnel available after consideration of the recommendation of the chief administrative officer.
