

Mansfield Township School District

Board of Education Monthly Meeting Agenda

January 3, 2023

I. Meeting to Start 6:30pm

Open Public Meeting Statement

The New Jersey Open Public Meetings Law enacted to insure the right of the public to have advance notice of and to attend the meetings of the public bodies at which any business affecting their interest is discussed or acted upon. In accordance with the provisions of the Act, the Mansfield Township Board of Education has caused notice of this meeting to be published by having the date, time and place thereof communicated to the Burlington County Times, and under the emergency regulations by providing electronic notice in lieu of the traditional "adequate notice" of notifying the newspaper.

At times, it may appear to members of our audience that the board of education takes action with very little, if any, comment and, in many cases, a unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter and is satisfied that it is ready to be presented to the board of education. The matter may have been previously discussed at the work session meeting. Board members preview the agenda items and discuss questionable items with the Superintendent or Business Administrator so that when they attend the meeting, there is usually no further need to question the issue. Only then is it voted upon as an action item at a public meeting.

Salute to the Flag

Roll Call of Board Member

Jason Shainline, Sup. of Special Services	_____		

II. Public Comment

The Board of Education recognizes the value of public comment on educational issues and the importance of providing an opportunity to the public to express themselves on school-related matters of concern to the residents of Mansfield Township. To allow for a fair and orderly public comment period and in accordance with Board Policy no. 1120, individual comments are limited to three minutes and the total time for the public comment session will be thirty minutes. To protect the privacy of all students and staff, concerns regarding individual students and staff members should generally be addressed by first meeting with the appropriate administrative staff.

III. Correspondence
